

# Day Out with Thomas at the Colorado Railroad Museum

A Social Story

On this trip to the Colorado Railroad Museum, I will be experiencing Day Out with Thomas!

When I arrive, I will have to wait in line to check-in at the front gate. My ticket will tell me what time my train ride will be.

I will get a map when I check in so that I can see where all the fun activities are.

The train ride with Thomas will have a line and conductors will check tickets before boarding.

I can take my photo with Thomas the Tank Engine.

There will be a white tent with toy train tables I can play with.

The Garden Railroad will be running, and I might even spot Thomas and his friends.

If I need a break, I can visit the upper gallery in the Depot for a quiet space.

If I need to use the restroom or get water, I can in the Depot. I will also have a chance to use the restroom in two other parts of the museum.

I can see stilt walkers and a puppet show in the trainyard.

I can stop and say hello to Sir Topham Hatt.

I can push a locomotive around on the railroad turntable.

I can visit the Play Pod to play games and visit the gift shop in the Pavillion.

When I am ready to leave, I will exit through the arch at the back gate.
